## County of San Luis Obispo

TO: Board of Supervisors

FROM: Planning and Building / Stephanie Fuhs, Planner III

VIA: Kami Griffin, Assistant Director, Department of Planning and Building

DATE: 9/9/2014

SUBJECT: Request to authorize the use of Alternative Publication Procedures for the Fall 2014 General Plan Amendment Cycle. All Districts.

### **RECOMMENDATION**

It is recommended that the Board:

1. Authorize that a display advertisement of one-quarter page be published in a newspaper of general circulation in the County on or before September 12, 2014, indicating the general nature of the proposed General Plan and Ordinance Amendments that will be considered on September 23, 2014, can act as the alternative publication.
2. Authorize that a one-quarter page display advertisement be placed in a newspaper of general circulation within 15 days after adoption of the proposed amendments by your Board.

### **DISCUSSION**

On September 23, 2014, your Board will hold public hearings for the following amendments:

Hearing to consider a request by the **County of San Luis Obispo (General Services Agency)** to amend the County's Land Use Element / Local Coastal Plan (North Coast Area Plan) by changing the land use category of an approximately 9,500 square-foot parcel from Public Facilities to Commercial Retail. The proposed land use category change would enable the County to transfer the former Cambria library property to private ownership. The site is located at 900 Main Street, approximately 800 feet northwest of Cambria Road, within the community of Cambria. The site is located in the North Coast planning area.

**County File Number: LRP2013-00015**

Assessor Parcel Numbers: 022-251-019

Supervisory District: 2

The California Government Code, Section 25124, establishes specific publication requirements for ordinance amendments. Your Board can order that a display advertisement be published in a newspaper of general circulation in the county prior to the public hearing and that a display ad be placed in a newspaper of general circulation following action on the amendments.

### **Staff Comments**

The California Government Code establishes specific publication requirements for ordinance amendments, and offers two cost-saving alternatives to publishing the complete text of an adopted ordinance after its passage (which has historically been the most commonly-used method). The alternatives include either publishing a summary of the proposed amendments; or, where the official responsible for the ordinance determines that a summary would not be effective, and with the consent of

your Board, a simple display ad can be published in a local newspaper noting passage of the ordinance, where it can be obtained, and how your Board voted on its adoption.

Therefore, in accordance with Section 25124 of the California Government Code, we are requesting that your Board order that a display advertisement of a one-quarter page be published in a newspaper of general circulation in the county, indicating the general nature of the proposed Land Use Ordinance amendments to be considered. In addition, it is requested that your Board direct that a one-quarter page display advertisement be placed in a newspaper of general circulation within 15 days after adoption of the proposed amendments.

Because publication of a display advertisement would cost substantially less than the full text of the adopted amendments, and because the diversity of topics covered in the amendments does not enable a meaningful summary, your favorable consideration on this matter is appreciated.

#### **OTHER AGENCY INVOLVEMENT/IMPACT**

Applicable agencies and Community Advisory Committees were provided referrals of the amendments.

#### **FINANCIAL CONSIDERATIONS**

Reproducing the complete text of all of the amendments contained in this Ordinance Amendment would cost approximately 50 percent more than the cost of two quarter-page display ads.

#### **RESULTS**

Advertising of the amendments will allow public hearings to occur in conformance with the Government Code and will cost substantially less than publishing the full text of the adopted amendments. This is consistent with the County goal of a prosperous and well governed community.
